

MMM Moment Miracle Steps

*People say that walking on water is a miracle, but to me,
walking peacefully on the Earth is the real miracle.*

Thich Nhat Hanh

**This is me performing a miracle...
walking on my feet in my driveway...
two months ago hardly 100 steps...
today 10,000.**

**Not quite like walking on water...
or performing a quadruple quad
on ice.**

**Not likely to get performance points
but deserves a scoring higher
than "So what?"**

**Kismet is a shrug that credits or blames...
the score-keeper up in the booth
that decides who wins or loses.**

**"It's God's will" is not my answer...
"just damn lucky"
is more realistic.**

**Being 90 is a miracle of its own...
just existing in this vast universe
able to realize it all is miracle enough.**

**And as the famed Buddhist Monk said it:
"Walking peacefully on the earth
is the real miracle."**
