

# *MMM 'Tis the Season 2022*

## *The Little Bitty Baby*

*One for the little bitty baby  
who was born, born, born in Bethlehem*

My Moment colleague Paul Pritchard had a solo part  
in the sold out program of **Bach's *Magnificat and Seasonal Carols***  
with a booming baritone verse of "Go Where I Send Thee."

One line was repeated in Paul's verse and by the full choir in all verses...

*"One for the little bitty baby..."*

touching memories and feelings of babies.

My memory flashed thoughts of babies I've seen this season...

parents and grandparents enthralled holding a precious armful...

amazed and wonder-full that this little baby came into their lives.

Our ninth great-grandchild will have a first Christmas...

already the center of attention and adoration...

as only an itty bitty baby does.

Another song in the Christmas concert was

*"What child is this who laid to rest on Mary's lap is sleeping?  
the babe, the son of Mary."*

What lies ahead for each new-born child is unknowable...

Stirring hopes and prayers and wondering love....

every life story begins with a little bitty baby.
